Wood PLASTIC-TOP DINETTES

Lloyd Trimline DINETTES IN SABLE OR CHROME

U. S. Patent Office
FEB 24 1956
Design Division
LIBRARY
JAN 3 1956
U. S. PATENT OFFICE

Their smart lighter, trimmer look makes these dinettes suitable for living-dining areas and today's beautiful new-looking kitchens. Also, they are properly scaled for smaller living areas. Practical and easy-to-care-for . . . with wear-defying laminated plastic table tops that are heat, stain, scratch-resistant. Washable plastic chair covers are practically accident-proof. FEATHER-FLEX glass fibre-filled cushions will remain springy and comfortable for the life of the chair itself. "Sable" is the new Lloyd *black* finish that is high-baked, extra tough . . . applied to "Bonderite" treated steel tubing for high rust resistance. The Chrome finish is the famous Lloyd quality Chrome-plate, with heavy nickel under-plating.

• *Suite illustrated is described on page 6.*

Lloyd Trimline DINETTES IN SABLE OR CHROME

TABLE T-2011

"Sable" finish (illustrated). 30″ x 40″ x 48″ plastic laminate top with black metal banding. 29½″ high. Removable leaf. Steel extension slides. ¾″ tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 45 lbs. per carton of 1, K.D.

T-2017: Chrome finish — otherwise same as T-2011.

CHAIR C-1010

"Sable" finish (illustrated). 15½″ x 15½″ pad seat. Flared pad back. ¾″ tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 31½″. Shipping weight approximately 49 lbs. per carton of 4.

C-1017: Chrome finish — otherwise same as C-1010.

U. S. Patent Office
FEB 24 1956
Design Division

Patterns and Colors of Available Table Tops and Chair Covers Shown at Back of Catalog.

TABLE T-2012

"Sable" finish (illustrated). 30" x 40" x 48" plastic laminate top with self-plastic edge. 29½" high. Removable leaf. Steel extension slides. ¾" tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 47 lbs. per carton of 1, K.D.

T-2018: Chrome finish — otherwise same as T-2012.

CHAIR C-1010

"Sable" finish (illustrated). 15½" x 15½" pad seat. Flared pad back. ¾" tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 31½". Shipping weight approximately 49 lbs. per carton of 4.

C-1017: Chrome finish — otherwise same as C-1010.

Lloyd Trimline DINETTES IN SABLE OR CHROME

TABLE T-2018

Chrome finish (illustrated). 30″ x 40″ x 48″ plastic laminate top with self-plastic edge. 29½″ high. Removable leaf. Steel extension slides. ¾″ tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 47 lbs. per carton of 1, K.D.

T-2012: "Sable" finish — otherwise same as T-2018.

CHAIR C-1018

Chrome finish (illustrated). 15½″ x 15½″ thick tapered pad seat. Wing-shaped pad back. ¾″ tubular steel legs and back posts. Overall height 32″. Floor glides of non-marring clear plastic. Shipping weight approximately 53 lbs. per carton of 4.

C-1011: "Sable" finish — otherwise same as C-1018.

U. S. Patent Office

Design Division

Patterns and Colors of Available Table Tops and Chair Covers Shown at Back of Catalog.

TABLE T-2013

"Sable" finish (illustrated). 36" x 48" x 60" plastic laminate top with self-plastic edge. 29½" high. Removable leaf. Steel extension slides. ¾" tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 66 lbs. per carton of 1, K.D.

T-2019: Chrome finish – otherwise same as T-2013.

CHAIR C-1012

"Sable" finish (illustrated). 15½" x 15½" box seat with white welt and glass-fibre cushioning. Thick padded back with handle and concealed posts. ¾" tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 32", exclusive of handle. Shipping weight approximately 53 lbs. per carton of 4.

C-1019: Chrome finish – otherwise same as C-1012.

Lloyd Trimline DINETTES IN SABLE OR CHROME

TABLE T-2019

Chrome finish (illustrated). 36″ x 48″ x 60″ plastic laminate top with self-plastic edge. 29½″ high. Removable leaf. Steel extension slides. ¾″ tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 66 lbs. per carton of 1, K.D.

T-2013: "Sable" finish — otherwise same as T-2019.

CHAIR C-1020

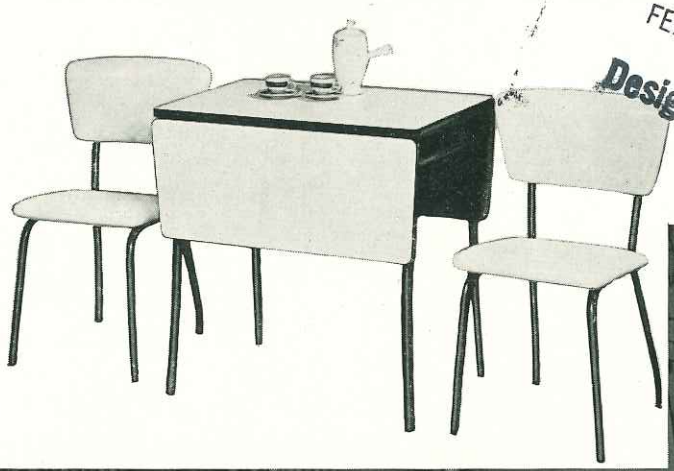
Chrome finish (illustrated). 16½″ x 16½″ box seat with white welt and glass-fibre cushioning. Back rods finished Black to contrast with chrome frame. ⅝″ tubular steel legs and back frame. Floor glides of non-marring clear plastic. Overall height 31½″. Shipping weight approximately 33 lbs. per carton of 2.

C-1013: "Sable" finish on legs and back frame, chrome finish on back rods — otherwise same as C-1020.

C-1014: "Sable" finish on legs, back frame and back rods — otherwise same as C-1020.

U. S. Patent Office
FEB 24 1956
Design Division

Patterns and Colors of Available Table Tops and Chair Covers Shown at Back of Catalog.



T-2010 Table occupies only 30" x 22" floor space when leaves are dropped.

TABLE T-2010 — Drop-leaf

"Sable" finish (illustrated). 30" x 22" top surface of plastic laminate with black metal banding. Extends to 30" x 47" with two tapered drop leaves in raised position. 29½" high. 1" tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 43 lbs. per carton of 1, K.D.

T-2016: Chrome finish — otherwise same as T-2010.

CHAIR C-1010

"Sable" finish (illustrated). 15½" x 15½" pad seat. Flared pad back. ¾" tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 31½". Shipping weight approximately 49 lbs. per carton of 4.

C-1017: Chrome finish — otherwise same as C-1010.

Lloyd Trimline DINETTES IN SABLE OR CHROME

Round top extends to oval shaped surface 42" x 54" when leaf is used.

TABLE T-2020

"Sable" finish (illustrated). 42" diameter round top extends to 42" x 54" with removable leaf in place. Surface of plastic laminate with black metal banding around edge. 29½" high. Steel extension slides. ¾" tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 57 lbs. per carton of 1, K.D.

T-2021: Chrome finish (illustrated on opposite page) — otherwise same as T-2020.

CHAIR C-1011

"Sable" finish (illustrated). 15½" x 15½" thick tapered pad seat. Wing-shaped pad back. ¾" tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 32". Shipping weight approximately 53 lbs. per carton of 4.

C-1018: Chrome finish — otherwise same as C-1011.

Round top extends to oval shaped surface 42" x 54" when leaf is used.

Patterns and Colors of Available Table Tops and Chair Covers Shown at Back of Catalog.

TABLE T-2021

Chrome finish (illustrated). 42" diameter round top extends to 42" x 54" with removable leaf in place. Surface of plastic laminate with stainless steel metal banding around edge. 29½" high. Steel extension slides. ¾" tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 57 lbs. per carton of 1, K.D.

T-2020: "Sable" finish (illustrated on opposite page) — otherwise same as T-2021.

CHAIR C-1020

Chrome finish (illustrated). 16½" x 16½" box seat with white welt and glass-fibre cushioning. Back rods finished in Black to contrast with chrome frame. ⅝" tubular steel legs and back frame. Floor glides of non-marring clear plastic. Overall height 31½". Shipping weight approximately 33 lbs. per carton of 2.

C-1013: "Sable" finish on frame with chrome finish on back rods — otherwise same as C-1020.

C-1014: "Sable" finish on frame and back rods — otherwise same as C-1020.

Lloyd Trimline CHAIRS

PLASTIC CHAIR COVERS available in: TARTAN — Yellow, White, Red, Gray and Charcoal • MOTHER-OF-PEARL—Yellow, Gray and Green • TWEED—Yellow, Ivory, Red, Chartreuse and Green • TAFFETA—Yellow, Brown, Red, Green and Coral. See swatch sheet, at back of catalog, for patterns and colors listed above.

CHAIRS — Have washable plastic chair covers that are practically accident-proof. FEATHER-FLEX glass fibre-filled cushions that will remain springy and comfortable for the life of the chair itself. In Lloyd's new Sable or chrome finish. Sable is a high-baked, extra tough Black finish applied to "Bonderite" treated steel tubing for rust resistance.

CHAIR C-1010—"Sable" finish
15½" x 15½" pad seat. Flared pad back. ¾" tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 31½". Shipping weight approximately 49 lbs. per carton of 4.

C-1017: Chrome finish. Chrome-plated tubing—otherwise same as C-1010.

CHAIR C-1011—"Sable" finish
15½" x 15½" thick tapered pad seat. Wing-shaped pad back. ¾" tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 32". Shipping weight approximately 53 lbs. per carton of 4.

C-1018: Chrome finish. Chrome-plated tubing—otherwise same as C-1011.

CHAIR C-1013—"Sable" finish
16½" x 16½" box seat with white welt and glass-fibre cushioning. Back rods finished in chrome to contrast with Black frame. ⅝" tubular steel legs and back frame. Floor glides of non-marring clear plastic. Overall height 31½". Shipping weight approximately 33 lbs. per carton of 2.

C-1014: "Sable" finish. Black finish on frame and back rods—otherwise same as C-1013.

C-1020: Chrome finish on legs and back frame, Black finish on back rods—otherwise same as C-1013.

CHAIR C-1012—"Sable" finish
15½" x 15½" box seat with white welt and glass-fibre cushioning. Thick padded back with handle and concealed posts. ¾" tubular steel legs and back posts. Floor glides of non-marring clear plastic. Overall height 32", exclusive of handle. Shipping weight approximately 53 lbs. per carton of 4.

C-1019: Chrome finish. Chrome-plated tubing—otherwise same as C-1012.

Lloyd Chrome DINETTES

U. S. Patent Office
FEB 24 1956
Design Division

There's more color and more durability than ever in the famous Lloyd Chrome Dinettes. They're attractively styled for dining room, kitchen, playroom use . . . yet constructed to take lots of day to day use. They're easy to care for with wear-defying plastic table tops that are heat, stain and scratch-resistant. Legs of all these dinettes are of heavy-gauge 1-inch steel tubing with famous Lloyd quality chrome plating over *nickel underplating*.

Plastic glides on legs allow tables to be moved smoothly and help prevent unsightly floor marks.

• *Suite illustrated is described on page 15.*

Lloyd Chrome DINETTES

TABLE T-3008

30″ x 40″ x 48″ plastic laminate top with stainless steel banding and chrome-plated skirt. 29½″ high. Removable leaf, wood extension slides. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Shipping weight approximately 50 lbs. per carton of 1, K.D.

CHAIR C-1029

15½″ x 15½″ thick pad seat cushion. Rectangular pad back cushion. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 31″. Shipping weight approximately 52 lbs. per carton of 4.

Patterns and Colors of Available Table Tops and Chair Covers Shown at Back of Catalog.

TABLE T-3009

30″ x 50″ x 60″ plastic laminate top with stainless steel banding and chrome-plated skirt. 29½″ high. Removable leaf. Steel extension slides. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Shipping weight approximately 61 lbs. per carton of 1, K.D.

Lloyd
P.B recd. 2-24-1956

CHAIR C-1030

15½″ x 15½″ thick pad seat cushion. Padded back has decorative contrasting panel. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 31″. Shipping weight approximately 54 lbs. per carton of 4.

Lloyd Chrome DINETTES

TABLE T-3009

30″ x 50″ x 60″ plastic laminate top with stainless steel banding and chrome-plated skirt. 29½″ high. Removable leaf. Steel extension slides. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Shipping weight approximately 61 lbs. per carton of 1, K.D.

CHAIR C-1032

15½″ x 15½″ thick pad seat cushion. Concealed back post, no-mar type back with convenient handle. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 33″, including handle. Shipping weight approximately 58 lbs. per carton of 4.

Patterns and Colors of Available Table Tops and Chair Covers Shown at Back of Catalog.

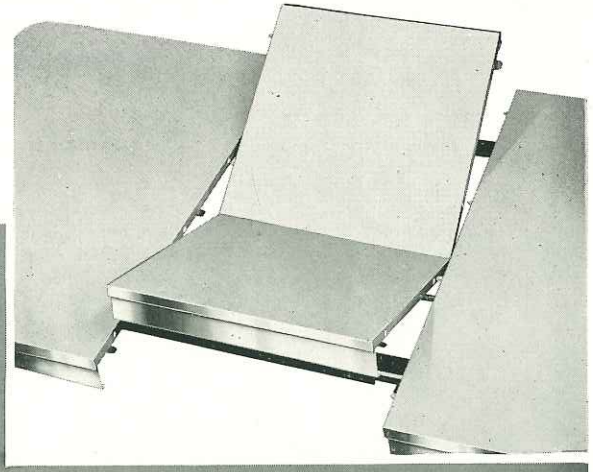
TABLE T-3010

36″ x 50″ x 60″ plastic laminate top with stainless steel banding and chrome-plated skirt. 29½″ high. Removable leaf. Steel extension slides. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Shipping weight approximately 66 lbs. per carton of 1, K.D.

CHAIR C-1033

15½″ x 15½″ box cushion seat with molded shredded sponge rubber cushioning and white welt. Thick octagon shaped, no-mar type back cushion with convenient handle. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 33¾″ including handle. Shipping weight approximately 73 lbs. per carton of 4.

Lloyd Chrome DINETTES



SELF-STORING, FOLDING TYPE LEAVES . . .
ready for instant use.
Folds up and is out of sight when not in use.

TABLE T-3012

36″ x 54″ x 72″ plastic laminate top with stainless steel banding and chrome-plated skirt. 29½″ high. Self-storing folding leaf with steel extension slides. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Shipping weight approximately 84 lbs. per carton of 1, K.D.

T-3011: Has removable leaf—otherwise same as T-3012.

CHAIR C-1035

15½″ x 15½″ extra thick cushion with molded shredded foam rubber cushioning and decorative white welt. Extra wide no-mar type shaped back with diagonal contrasting panel, nail-head trim and handle. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 35″. Shipping weight approximately 86 lbs. per carton of 4.

TABLE T-281

42″ x 60″ x 90″ plastic laminate top with stainless steel banding around edge and chrome-plated skirt. Two 15″ self-storing folding leaves, wood extension slides. Center leg support. 29½″ high. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Shipping weight 121 lbs. per carton of 1, K.D.

CHAIR C-117

15½″ x 15½″ pad seat cushion. Tapered pad back. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 32½″. Shipping weight 62 lbs. per carton of 4.

Lloyd Chrome DINETTES

T-179 Table opens to 35" x 59" with both leaves raised.

TABLE T-179 — Drop-leaf

35" x 24" plastic laminate top opens to 35" x 41" with one leaf raised, and to 35" x 59" with both leaves raised. Stainless steel banding around edge of top. 29½" high. Leg pedestals pull out to support leaves. 1" tubular steel legs, chrome-plated. Shipping weight approximately 77 lbs. per carton of 1, set up.

CHAIR C-1033

15½" x 15½" box cushion seat with molded shredded sponge rubber cushioning and white welt. Thick octagon shaped, no-mar type back cushion with convenient handle. 1" tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 33¾" including handle. Shipping weight approximately 73 lbs. per carton of 4.

T-2016 Table extends to 30″ x 47″ to seat four comfortably.

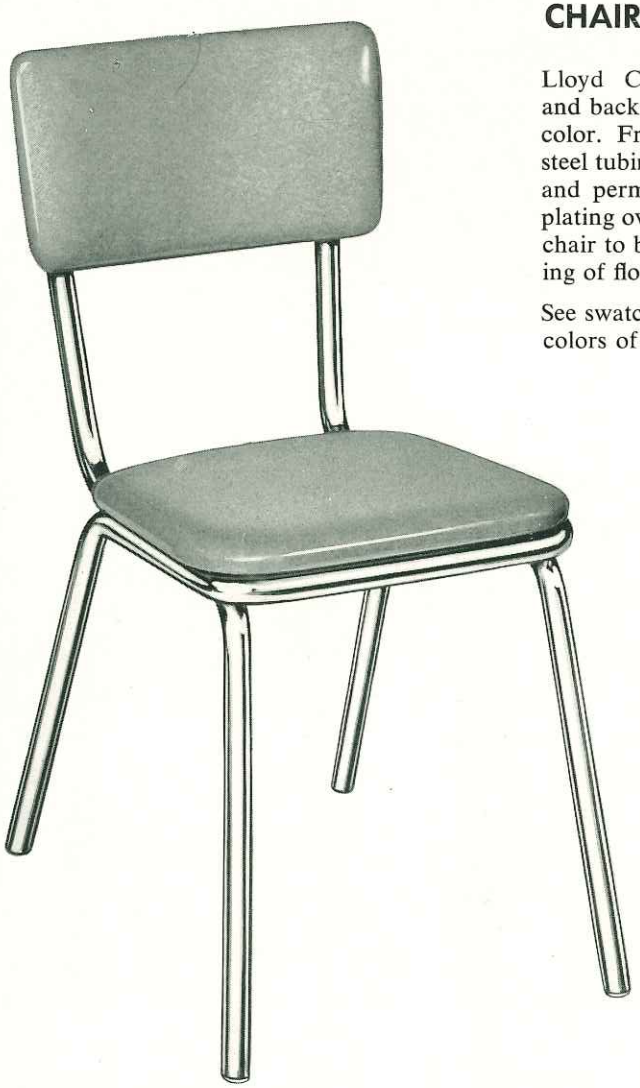
Patterns and Colors of Available Table Tops and Chair Covers Shown at Back of Catalog.

TABLE T-2016 — Drop-leaf

30″ x 22″ top surface of plastic laminate with stainless steel banding around edge. Extends to 30″ x 47″ with two tapered drop leaves in raised position. 29½″ high. 1″ tubular steel legs. Floor glides of non-marring clear plastic. Shipping weight approximately 50 lbs. per carton of 1, K.D.

CHAIR C-1030

15½″ x 15½″ thick pad seat cushion. Padded back has decorative contrasting panel. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 31″. Shipping weight approximately 54 lbs. per carton of 4.



CHAIRS

Lloyd Chrome chairs have plastic-covered seats and backs that are simple to clean and permanent in color. Frames and legs are of heavy-gauge 1-inch steel tubing, solidly welded together for *extra* strength and permanently plated with Lloyd quality chrome plating over *nickel plating*. Plastic glides on legs allow chair to be easily moved and prevent unsightly marking of floor.

See swatch sheet, at back of catalog, for patterns and colors of available chair covers.

◀ CHAIR C-1028

14″ x 14½″ pad seat cushion. Pad back cushion. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 31″. Shipping weight approximately 45 lbs. per carton of 4.

CHAIR C-1029 ▶

15½″ x 15½″ thick pad seat cushion. Rectangular pad back cushion. 1″ tubular steel legs, chrome-plated. Floor glides of non-marring clear plastic. Overall height 31″. Shipping weight approximately 52 lbs. per carton of 4.

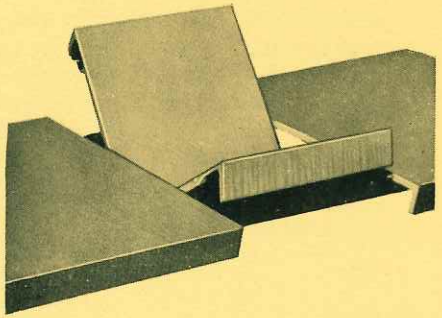
Lloyd Wood PLASTIC-TOP DINETTES

U. S. Patent Office
FEB 24 1956
Design Division



Illustrating how leaf in extension table folds up and is stored completely out of sight when not in use.

For tables T-5009 and T-5005.

Lloyd Wood Dinettes come in a distinctive new PLATINUM FINISH that will blend well with your customers' other modern furnishings. This adaptable light finish makes these dinettes naturals for today's living-dining areas. Styled of sturdy hardwood, the tables have laminated plastic tops that are heat, stain, scratch-resistant. Self-storing folding leaves are featured on the extension tables. FEATHER-FLEX glass fibre chair cushions will remain springy and comfortable for the life of the chair itself. Covered in washable plastic or modern-textured fabrics.

• *Suite illustrated is described on page 27*

Lloyd Wood PLASTIC-TOP DINETTES

TABLE T-5004

30″ x 43″ x 54″ plastic laminate top surface in "Platinum" wood-grained pattern. Self-storing folding leaf, steel extension slides. 29½″ high. Legs of solid hardwood, finished to match top. Plated steel floor glides. Shipping weight approximately 61 lbs. per carton of 1, K.D.

T-5003: Has removable leaf—otherwise same as T-5004.

CHAIR C-4004

16½″ x 16½″ pad cushion seat. Wing-shaped pad cushion back. Solid hardwood legs, in "Platinum" finish. Plated steel floor glides. Plastic or soft fabric covers. Overall height 32½″. Shipping weight approximately 34 lbs. per carton of 2, K.D.

CASE B-5008

18″ x 42″ top surface. 32″ high. "Platinum" finish. Shipping weight approximately 79 lbs. per carton of 1, set up.

CT-5007: China Top for buffet.

CHAIR C-4006

16½″ x 16½″ tapered pad seat cushion. Distinctive and attractive window style back cushion with mitred corner cover. Plastic or soft fabric covers. Solid hardwood legs finished in "Platinum". Plated steel floor glides. Overall height 32½″. Shipping weight approximately 34 lbs. per carton of 2, K.D.

CHAIR C-4007

16½″ x 16½″ box seat with glass-fibre cushioning. Distinctive and attractive window style back cushion with mitred corner cover. Plastic or soft fabric covers. Solid hardwood legs finished in "Platinum". Plated steel floor glides. Overall height 32½″. Shipping weight approximately 35 lbs. per carton of 2, K.D.

CONSTRUCTION FEATURES

GLASS FIBRE CUSHIONING

"FEATHER-FLEX" is a new cushioning material that is wonderfully soft and comfortable, yet has an amazing resiliency that keeps cushion always "plump" and buoyant.

LAMINATED PLASTIC TABLE TOPS

These wear-defying plastic table tops resist damage from burning cigarettes, boiling water and other spilled liquids, including alcohol. Dirt and stains can't sink in – just a wiping with a damp cloth keeps the tops clean and bright.

LLOYD TUBULAR FRAMES AND CHROME PLATING

The famous Lloyd tubing is made from fine-grained furniture steel, to insure a perfect finish. Joints are welded or tightly bolted to insure rigid, lasting construction and to prevent unsightly gaps or loose, squeaky joints. Lloyd polishes the fine-grained steel to a high finish, then applies a heavy nickel underplating to insure good adherence of the chrome. The nickelplating is then followed by the proper thickness of chrome. This method highly resists rust, tarnish and peel. Lloyd chrome-plating is guaranteed to give you long satisfaction.

WOOD DINETTE CONSTRUCTION

Solid hardwoods, properly air and kiln-dried, are selected for the legs and under-construction of these tables. The beveled apron is of finest grain hardwood plywood. Legs are fastened to the top with heavy bolts, and joinings in the apron and top are adequately glued and screwed and reinforced with corner-blocking, as practiced in fine furniture construction.

Solid hardwood frames, expertly joined with bolts, screws and glue give maximum strength and stability to the chairs. In keeping with the plastic table tops are the plastic chair coverings–permanently pliable, tough and burn-resistant. Easily cleaned, they keep their beauty without fading or discoloring, the plastic coverings are available with fabric-like finishes in smart patterns and decorator colors. Soft fabrics are also available.

Lloyd **OUTDOOR** furniture with

famous patented* woven fibre

Increasingly popular because of its economy, smart styling and durability. Tubular metal construction makes it lightweight and easy to move . . . yet exceptionally strong and rigid. Seats, chair backs, are of Lloyd's patented (*U. S. Patent No. 2,234,677) Woven Fibre, with the steel reinforcement core for *extra strength*. Also, "self-ventilating" . . . for cool comfort even in the summer sun.

Lloyd
CAPRI furniture with the patented* woven fibre that lasts almost forever
Upholstered Capri has comfortable seat cushions with foam rubber and spring construction. This furniture as well as All-fibre Capri (not shown) has the famous Lloyd extra-strong patented (*U. S. Patent No. 2,234,677) woven fibre with baked on finishes in smooth decorator-selected shades. Tubular metal construction makes Capri lightweight and easy to move.
